FORT LEE INSIGHTS NEWS & STORIES

BREAST CANCER AWARENESS MONTH

Our CEO's Message

As we welcome fall we look forward to cooler weather, children settled into school and football. It is also a time when Hunt Military Communities launches their annual Hunt Helping Hands initiative. This year we have once again organized a food drive in support of our military families and food insecurity. Data we have received indicates many military families face this challenge and could use additional support. Details about your communities food drive will be emailed, posted on social media, and cards left at each door. We are partnering with various groups on base who may have resources for distribution and we are also working with a local food bank closest to your community. Our goal is to make sure our families are taken care of and those in need receive the resources they need. Additionally, Hunt Military Communities is excited to collaborate with Hire Heroes USA to assist military service members and their spouses find meaningful careers upon completion of their military service. Our donation will fund career transition services for veterans, military spouses, and transitioning service members. We will also collaborate with them to source more military veteran and spouse talent for our teams. More to come on this fantastic opportunity to assist those needing career advisement and services. Thank you for allowing us to serve you.

September Event Recap

Fall Fest

Fort Lee Family Housing kicked off the start of fall with our annual Fall Festival event on Monday, September 27th at the Welcome Center.

The weather was perfect to enjoy all the fun yard games, bounce houses, and endless amounts of cotton candy and popcorn. The kids got a head start on creating fun masks for October and families were able to stop by and take advantage of our fall-theme photo setup.

Thank you to everyone who came by and enjoyed some great quality community time together and a HUGE Thank You to Lil Sis Sweet Treats for coming and supporting our event.

Refresh your Home for Fall

The switch from summer to fall is a great time to update your décor. Try these simple design tips to bring a touch of autumn to your home.

Embrace the outdoors. Nature lets us know that fall has arrived with falling leaves, acorns and pinecones. These items make great decorative elements - put them in jars or bowls and place on tables or shelves. Don't forget to include seasonal blooms such as sunflower and mums.

Fun with fall fabrics. Pack away linens and cotton accessories and bring out pillows, throws, and kitchen towels in rich colors and geometric patterns such as plaid or houndstooth. For a unique, stylish table runner, us a pretty scarf.

Home is where the harvest is. Traditional fall foods are another symbol of the season. Go literal with a cornucopia centerpiece of goodies, corn, pumpkins, and gourds around your home. Fill a pretty bowl with multi-colored apples or pears and set it on a counter or coffee table.

Breathe in fall beauty. Nothing says fall like the smell of cinnamon, cloves and nutmeg. Boil them together in a saucepan to enjoy the pleasant aroma of autumn.
