

HAPPY VALENTINE'S DAY

Our CEO's Message

Dear HMC Residents,

As we head into February, I want to share with you an important opportunity for those looking to attend secondary schooling at a 2-year, 4-year, or technical school. Hunt Military Communities, in partnership with the Hunt Heroes Foundation, is once again excited to sponsor our fourth annual scholarship program. This year we will be awarding 18 scholarships totaling \$50,000. Those eligible

include any active service member or their dependents. This is open to any branch of our armed forces and you do not need to be a Hunt Military Communities resident. All scholarship applications must be filled out online at: <https://learnmore.scholarsapply.org/huntheroesscholarship>. The deadline to submit a nomination is February 22, 2022, at 3 pm CST, or until 50 applications are received, whichever comes first. Even if you do not have a need this year, we invite you to share this opportunity with someone who qualifies. This is one of many charitable endeavors Hunt Military Communities is actively pursuing. We have supported several of the top rated charities that serve our active duty & military veteran populations. Our partner charities support military members with career transition, housing, education, and mental health. Tunnels to Towers, Hire Heroes USA, Travis Manion Foundation, and our Hunt Heroes Foundation Scholarships are all part of our desire to go above and beyond providing housing and property management services to our nation's heroes and their families. Thank you very much for choosing to live with HMC, and we hope you have a wonderful month!

All the best,
Brian Stann

Hunt Military Communities
President & Chief Executive Officer

Winter Weather

Winter storms create a higher risk of car accidents, hypothermia, frostbite, carbon monoxide poisoning, and heart attacks from overexertion as well as bring extreme cold, freezing rain, snow, ice, and high winds.

Here are a few tips to keep you and your family safe.

DRESS APPROPRIATELY

Wear clothes meant for cold, wet, and windy conditions such as:

- Loose-fitting layers
- Hats, socks, shoes, and gloves
- Outerwear that will keep you dry

Extreme exposure to the cold can eventually lead to hypothermia.

DRINK WARM BEVERAGES AND TAKE BREAKS

- Take frequent breaks in cold areas, if possible
- Drink plenty of warm, sweet beverages (sugar water, sports drinks)
- AVOID caffeine (in coffee, tea, sodas, or hot chocolate) and alcohol

KNOW THE WARNING SIGNS

- Trench Foot
- Frostbite
- Hypothermia

**Don't ignore the signs: Uncontrollable shivering, slurred speech, clumsiness, fatigue, and confusion.*

HYPOTHERMIA IS A MEDICAL EMERGENCY: CALL 911

- Getting help can be the difference between life and death.
- You are at higher risk if you take certain medications, are in poor physical condition, or suffer from illnesses such as diabetes, hypertension, or cardiovascular disease.

Friendly Reminders

Trash, recycling, and bulk trash pickup are every Tuesday. Also pest control is every Tuesday. Work orders must be submitted by 3 pm the Monday prior.

Tenant Satisfaction Survey

Don't forget to share your thoughts and feedback on how we are able to help create exceptional living experiences for you and your family. The survey was sent from ArmyHousingSurvey@celassociates.com to the email address on file. If you have not received a survey link, you can contact the email above to receive a new survey link and passcode.
