HMC Electric Vehicle Charging Program

EV CHARGERS

We are excited to announce our collaboration with TRO Energy Solutions, Inc. (TROES), to introduce a pilot program for Electric Vehicle (EV) charging in select communities. This program will provide in-home Level-2 EV charging to military housing residents, aligning with our commitment to sustainability and energy resiliency goals outlined by the Office of the Secretary of Defense.

Our pilot program will kick off at four of our military bases: Barksdale Air Force Base (Shreveport, LA), Fort Sam Houston (San Antonio, TX), Joint Base Pearl-Harbor Hickam (Honolulu, HI), and Marine Corps Base Hawaii (Kailua, HI). These locations have been selected to cater to the growing interest in Level-2 fast charging among residents in military housing communities.

This initiative aims to position HMC as one of the pioneering military housing operators in the U.S. to offer a comprehensive residential EV charging solution, demonstrating a forward-thinking approach to sustainability-focused infrastructure.

FEBRUARY TRIVIA NIGHTS AND RAFFLE RECAP

In February, Gregg-Adams Family Housing (GAFH) hosted not one, but two thrilling Trivia Nights! Adding a personal touch, one of our very own residents took the stage as the host, with Mrs. Rachael Monique, our esteemed CAB President, serving as the perfect emcee. As brains battled it out, participants enjoyed delicious pizza and snacks. The excitement didn't stop there – GAFH also held an enticing raffle, with our First Command generously donating a "Date Night Package" to the lucky winner. Additionally, the winning Trivia team walked away with gift cards as a token of their triumph. Stay tuned for more exciting events coming your way at GAFH!

MAINTENANCE CORNER

HOUSEKEEPING TIP

ATTENTION ALL PET OWNERS!

Your cooperation in maintaining a clean and pleasant environment for everyone is greatly appreciated. We kindly request that you be considerate of your neighbors and diligently clean up after your pets. It's important to remember that pet waste left unattended can not only be unsightly but also pose health hazards to both humans and other animals.

To facilitate this, we have installed pet stations throughout the property for your convenience. These stations are equipped with disposable bags designed for pet waste disposal. By utilizing these stations, you not only contribute to the cleanliness of our community but also demonstrate respect for your fellow residents.

We understand that accidents happen, but we urge you to promptly address any messes left behind by your pets. Regular maintenance of these areas ensures a comfortable and safe environment for everyone to enjoy. Your cooperation in this matter is crucial in fostering a harmonious living environment for all residents.

Thank you for your cooperation in keeping our community safe and enjoyable for all.
